

## Specialised Translation

Welcome to Expressum Ltd. We translate French and English publications in the fields of archaeology, art history, philology, literature and history (from classical antiquity to the late middle-ages).

We also translate academic web sites and conference papers for the same scientific fields and historical periods. We offer audio recordings of your translated conference papers to help you prepare for international conferences.

Do not hesitate to contact us at [info@expressum.eu](mailto:info@expressum.eu) for a free quote which we will deliver within 24 hours.
